and wish to recover the same degree of health, strength, and energy as experienced in former years? Do any of the following symptoms or class of symptoms meet your diseased condition? Are you suffering from ill-health in any of its many and multifarious forms, consequent upon a lingering, nervous, chronic or functional disease? Do you feel nervous, debilitated, fretful, timid, and lack the power of will and action? Are you subject to loss of memory, have spells of fainting, fullness of blood in the head, feel listless, moping, unfit for business or pleasure, and subject to fits of melancholy? Are your kidneys, stomach, or blood, in a disordered condition? Do you suffer from rheumatism, neuralgia or aches and pains? Have you been indiscreet in early years and find yourself harassed with a multitude of gloomy symptoms? Are you timid, nervous, and forgetful, and your mind continually dwelling on the subject? Have you lost confidence in yourself and energy for business pursuits? Are you subject to any of the following symptoms: Restless nights, broken sleep, nightmare, dreams, palpitation of the heart, bashmare, dreams, palpitation of the heart, bushmare, dreams, palpitations? Thousands of young men, the middle-aged, and even the old, suffer from nervous and physical debility. Thousands of females, too, are broken down in health and spirits from disorders peculiar to their sex, and who, from faise modesty or neglect prolong their sufferings. Why, then, further neglect a subject so productive of health and happiness when there is at hand a means of restoration? READER, ARE YOU AFFLICTED?

PULVERMACHER'S

ELECTRIC BELTS AND BANDS cure these various diseased conditions, after all other means fail, and we offer the most convincing testimony direct from the af-flicted themselves, who have been restored to HEALTH, STRENGTH, AND ENERGY, after drugging in vain for months and years.
